

NorTorque 200 TH (N·m only)

The NorTorque® utilises Norbar's proven mechanism and internal components and incorporates them into a purposeful and attractive torque wrench

In developing NorTorque®, Norbar's objective was to deliver outstanding quality and performance in a value for money package. Fine engineering ensures that the wrench adjustment is both fast and fingertip light meaning that you can do your job more efficiently.

Supplied with a Declaration of Conformance which meets the requirements ISO 6789-1:2017

Accurate to $\pm 3\%$ of reading with models available to cover 12 N·m to 300 N·m.

Part number: 130163

EAN Bar Code: 5060207565608

NATO number: -

Accuracy: $\pm 3\%$

Operates between:
40.00 - 200.00 N·m

TECHNICAL SPECIFICATIONS

- Length: 440mm
- Weight: 0.78kg
- End Fitting: 16mm Spigot

FEATURES

- Convenient hanger feature for tool storage also aids wrench unlocking and adjustment
- Just eight turns to cover the entire scale
- Micrometer scale applying to the primary torque units (N·m on a dual scale wrench) for simple and error free setting
- Push/pull lock is fast and intuitive to use and prevents accidental adjustment of the set torque
- Light and fast adjustment saves operator time and effort
- Supplied with a Declaration of Conformance, which meets the requirements of ISO 6789-1:2017
